HB 962

House Bill 962 provides that the section of Highway 25 in Monroe County from its intersection with Highway 382 to its intersection with Highway 45 Alternate shall be known as the "Walton Greene Gray Memorial Highway."

MDOT has to erect the appropriate signs for the designation.

According to the resolution passed by the Monroe County Board of Supervisors, Mr. Gray was a long time highway department engineer from Aberdeen. Rep. Compretta's handwritten notes denote that Gray was named the northern district's chief engineer in 1968. Mr. Gray's widow also lives on this segment of road.

HB 962 is effective from and after passage.
